

SPARKLE SKIN

Water-based, odourless product for leather and faux leather.

It protects and gives new life to the treated substrate. It refreshes the surface, protects it against dirt and moisture and gives it a shiny and bright appearance while reviving colors.

CHARACTERISTICS

Base: water

Relative density: $1,00 \text{ g/cm}^3 \pm 0,05$

Color: white

SUBSTRATE PREPARATION

For excellent results, it is recommended to apply on clean and degreased surfaces.

Gelson suggests the use of the INTERIOR CLEANING and a HITEK cloth.

APPLICATION

Ready to use product.

Spray the product directly on the surface. Spread it evenly using a manual application pad (e.g. cod. 86304/115N).

Polish and remove excess product with a soft cloth.

The effectiveness of our products is based on practical experiences and research work carried out in our laboratories; nevertheless we accept no liability for work carried out following our instructions being clear that the final result depends in all cases on a series of unforeseeable factors.

* For any information about product codes or packs, please see our catalogue, our price list or contact us.

NATURAL SKIN

Water-based, protective treatment for leather and synthetic fabric.
It penetrates the support making it water repellent without changing its original appearance.
The treatment prevents the formation of stains and facilitates cleaning.

CHARACTERISTICS

Base: water

Relative density: 1,00 g/cm³ ± 0,05

Color: clear

SUBSTRATE PREPARATION

For excellent results, it is recommended to apply on clean and degreased surfaces. Gelson suggests the use of the INTERIOR CLEANING and a HITEX cloth.

APPLICATION

Ready to use product.

Use a soft cloth for spreading the product evenly and remove excess.

On textiles: wait at least 4 hours for the support to dry, then repeat the application.

The effectiveness of our products is based on practical experiences and research work carried out in our laboratories; nevertheless we accept no liability for work carried out following our instructions being clear that the final result depends in all cases on a series of unforeseeable factors.
