

COLOR RESTORE

High coverage colored paint, ideal for renovating, customizing or restoring leather, imitation leather, fabric and other vehicle materials. Its special formulation, rich in quality pigments, guarantees a uniform result without altering softness, elasticity and resistance.

CHARACTERISTICS

- Physical state: liquid
- Base: water
- Color: 71 White, 2 Black, 31 Red, 45 Yellow Lemon, 80 Classic Blue, 51 Medium Grey, 11 Medium Brown

PREPARATION OF THE SUBSTRATE

The surfaces to be treated must be perfectly dry and clean.

For color changes, treat the surface with LEATHER STRIPPER cod. 45LS or SYNTHETIC CLEANER cod. 45SC.

For small surface repairs, apply directly on PUTTY REPAIR cod.45SPR, or PUTTY RESTORE cod. 45PR.

APPLICATION

The product can be applied

- with a brush;
- with a sponge like the one supplied;
- with a spray gun with EGO carbon 190 HALO nozzle Ø 0.5-0.7mm. For this type of application, proceed by adding 20 to 50% by weight of 45CCR.

For each single application we suggest two coats spaced 3 hours apart: the first light, the second more full-bodied.

OVERCOATING

Wait at least 16 hours and then apply the Color Restore Fixative cod. 45FCR

The effectiveness of our products is based on practical experiences and research work carried out in our laboratories; nevertheless we accept no liability for work carried out following our instructions being clear that the final result depends in all cases on a series of unforeseeable factors.
