

LEATHER CLEANER

Gentle detergent for cleaning natural leather and fabrics. Suitable for removing oil stains and other stains resulting from daily use. Prepares the substrate to be treated with the products of the *LEATHER RESTORE* kit.

CHARACTERISTICS

- Base: water
- Physical state: liquid
- Color: colorless

PREPARATION OF THE SUBSTRATE

Remove dust and/or impurities from the surfaces to be treated.

APPLICATION

Apply to the surface to be treated with the special sponge provided. To increase the effectiveness of the treatment, add 10-20% hot water.

Dry with the microfiber cloth cod 48375 and wait about 30 minutes before proceeding with the treatment with the *LEATHER RESTORE* system.

It is recommended to test the product on a hidden area before use.

The effectiveness of our products is based on practical experiences and research work carried out in our laboratories; nevertheless we accept no liability for work carried out following our instructions being clear that the final result depends in all cases on a series of unforeseeable factors.
