

ODOR STOP

DEFINITION

Fragrance-free product designed to absorb (not mask) odours present inside the vehicle cabin. Formulated with water and naturally derived ingredients. Does not stain surfaces.

Its neutralising effect is effective against a wide range of odours, including smoke, food, body odours, pets and cat urine.

CHARACTERISTICS

- Chemical nature: aqueous solution
- Appearance: clear liquid
- Colour: yellowish
- Density: 1.00 g/cm³ ± 0.03

APPLICATION

Ready-to-use product. Spray onto the affected surface. Rinsing is not required.

STORAGE

Store in a cool, dry environment, protected from direct sunlight, and at temperatures between 5°C and 35°C.

The effectiveness of our products is based on practical experiences and research work carried out in our laboratories; nevertheless we accept no liability for work carried out following our instructions being clear that the final result depends in all cases on a series of unforeseeable factors.
